

W.E.L.L. (Women Empowered and Loving Life) Clothesline Project 2011

Across the country people have been decorating shirts in support of survivors of sexual violence. In April W.E.L.L. will be hosting a Clothesline Project to do the same. In sync with Sexual Assault Awareness Month, W.E.L.L. invites you to join us in supporting women who've survived incredible odds to be here today.

You do not have to be a survivor to participate! Every woman has been touched in some way by the tragedy of sexual violence, either by surviving themselves, or by being careful not to go out alone after nightfall. We all live with the harsh consequences of sexual violence.

Our first shirt decorating party is March 29th, 7-9pm at Fair Grinds coffee shop. Decorating supplies will be provided, but please bring a blank shirt with you. Any decorating supplies you can share are appreciated!
